

BASIC SEARCH & RESCUE CLASS

RECOMMENDED GEAR

- Tracking Stick. Must be 38 - 42" long made of light material such as a wooden dowel or ski pole.
- Rubber Bands or Castration Bands from a Ranch or Feed Supply Store
- Signal Mirror
- Small Tape Measure
- Handheld Flashlight for night tracking - white fluorescent between 500 - 1000 lumens works well
- Knee Pads - optional
- Baseball Cap or hat with a brim such as a Boonie hat or similar

- One package (100) bamboo skewers- you can buy these at Walmart, grocery stores or craft stores. The top third (approximately) of the skewers needs to be sprayed with fluorescent orange or red spray paint (use fluorescent if possible).
